

water so stored which is within the District's entitlement shall be credited to the District and shall be released to the District at its request. At any one time the sum of the storage in Lahontan Reservoir and the total related creditable storage upstream shall not exceed the present storage capacity of Lahontan Reservoir, which is here defined as two hundred and ninety thousand (290,000) acre-feet, plus, however, in the event of such storage upstream, an additional amount equal to anticipated losses in transmission downstream to the District. In addition the District may store in District reservoirs downstream of Lahontan Reservoir a quantity of water presently estimated to be 35,000 acre-feet.

(g) Deliveries of water from the Truckee Canal into Lahontan Reservoir (when water is available and the District is entitled to it) shall be permitted only so long as the total storage credited to Lahontan Reservoir in that reservoir and in upstream facilities, at any one time, is not more than two hundred and ninety thousand (290,000) acre-feet plus an amount equal to anticipated losses in transmission downstream from storage reservoir to Lahontan Reservoir.

(h) Hydropower generation at Lahontan and V canal power plants shall be incidental only to releases or diversions of water for beneficial consumptive uses, except that power may be generated from water that would otherwise constitute uncontrollable spill or precautionary drawdown.

§ 418.5 Water rights.

The regulations in this part prescribe water uses within existing rights. The regulations in this part do not, in any way, change, amend, modify, abandon, diminish, or extend existing rights.

SOURCE: 39 FR 26893, July 24, 1974, unless otherwise noted.

§ 420.1 Objectives.

The provisions of this part establish regulations for off-road vehicle use on reclamation lands to protect the land resources, to promote the safety of all users, to minimize conflicts among the various uses, and to ensure that any permitted use will not result in significant adverse environmental impact or cause irreversible damage to existing ecological balances.

§ 420.2 General closure.

Reclamation lands are closed to off-road vehicle use, except for an area or trail specifically opened to use of off-road vehicles in accordance with § 420.21.

§ 420.3 Adjacent lands.

When administratively feasible, the regulation of off-road vehicle use on Reclamation lands will be compatible with such use as permitted by recreation-managing agencies on adjacent lands (both public and private).

§ 420.4 Enforcement.

The provisions of this part will be enforced to the extent of Bureau authority, including entering into cooperative agreements with Federal, State, county, or local law enforcement officials.

§ 420.5 Definitions.

As used in this part, the term:

- (a) *Off-road vehicle* means any motorized vehicle (including the standard automobile) designed for or capable of cross-country travel on or immediately over land, water, sand, snow, ice,
